

## WMFF BADGE MACHINE FOR HIRE

Members 10p per badge  
Non members £10 + 10p  
per badge

To book contact [info@wmff.org.uk](mailto:info@wmff.org.uk)  
or badge machine holder Pete  
Grassby. Please give adequate  
notice as the badge machine may  
be booked to another user or  
large numbers may require a new  
order of components. You are  
responsible for collecting and  
returning it in good condition.

Full details of the round  
diameter size for artwork is on  
the website [www.wmff.org.uk](http://www.wmff.org.uk) and a guide to making  
badges is available. The components supplied are  
currently a metal base and safety pin with plastic  
backs and a thin film cover.

Badges are useful for publicity, as  
an event souvenir, celebrating a  
special event or anniversary,  
fundraising, as a fun activity for all  
ages to design and make your own  
original badge.
